When chaperoning students to an event, we will:

- Provide parents and students with information about what the event is for
- Provide parents and students with the full address of the event
- In cases where the event is taking place in a large building, we will also give the room or studio number where possible
- Have a planned journey route that is shared with parents, students and chaperones
- Make sure that students are aware of what they should do if they get lost
- Ask parents and students for their contact details in case of an emergency
- Have a clear idea of how students will be cared for while at the event

We will ensure that chaperones hold all required checks and licences and are aware of our Child Protection Policy.
