WHEN IN CLASS...

HOW TO GET THE BEST OUT OF YOUR DANCE LESSONS

1. Make sure you go to the toilet before class so you don't miss out on anything important.
2. Arrive in plenty of time and make sure your wearing correct uniform and have your hair tied back.
3. Listen carefully to your teacher and follow all instructions.
4. Never shout out or talk over your teacher or peers - pop your hand up if you have something to say!
5. If your grown up isn't there to pick you up at the end of your lesson, come back inside and wait with your teacher.
6. If you have one class after the other try to get ready quickly and ask for help if you need it.
7. Most importantly have fun, work hard and be amazing!

SPRING EXAMS

Huge well done to our students who took ISTD Ballet, tap and Modern exams this term. We are so proud of the hard work you and your teachers put in.
